SIDEKICKS

CIMARRON SIDEKICKS perform western music from the movies, radio, and television along with old cowboy standards we all love. Selected songs from the music of Gene Autry, Roy Rogers, Sons of the Pioneers and others bring back memories of the old west with great vocal harmonies, foot-stompin' instrumentals and plain old fashioned fun! The Sidekicks are:

BUCK..... Paul Sullivan on vocals, banjo and mandolin
DOC..... Dan Wilson on vocals and acoustic bass
LEFTY..... Bob Sampson on vocals and lead guitar
DUTCH.... Carl Eckhardt on vocals, mandolin and guitar
